VARIO-ALLDAY™

VARIO-ALLDAY™

DESIGNED BY PETER ROTH

VARIO-ALLDAY™

DESIGNED BY PETER ROTH

VARIO-ALLDAY is a contemporary collection to complement conference and banqueting interiors alike. A flex-back, lumbar support and contoured seat achieve ergonomic comfort and quality. The unique convex aluminium underframe is available with five back shapes, all with optional top grip or rear mounted handle for ease of handling. All models stack and feature aluminium stack protectors to guard the upholstery and discreet transparent feet (excluding 21/17A Task chair).

VARIO-ALLDAY as standard has a conference back rake with lumbar support, or can be specified with a more upright back rake for dining, without lumbar support. Other options include linking, a detachable writing tablet and a trolley to enable the chairs to be handled and stored easily. A wide range of frame finishes are offered together with a large selection of fabrics from the Burgess collection or as specified by the customer.
