Dual Alarm Clock Radio for your iPod® or iPhone® with Remote Control and AM/FM Presets

Alarm Features

- Dual alarm lets you set separate wake times, wake to iPhone/iPod, playlist, radio or buzzer
- Easy Alarm Reset: press any button (besides Snooze) to turn off alarm and automatically reset it for the following day
- Gentle Wake feature peacefully wakes you with gently rising alarm volume
- iPod/iPhone alarm backup: if iPod/iPhone is the selected wake to source and iPod/iPhone is not docked, the buzzer alarm will sound
- 7-5-2 alarm settings (everyday, weekdays, weekends)
- Programmable snooze feature with intervals from 1 to 60 minutes

Sleep Features

- Sleep to iPod, iPhone or FM radio
- Programmable sleep timer with 120, 90, 60, 30 or 15 minute scheduled shutdown
- Adjustable separate sleep volume lets you set a comfortable sleep volume without affecting wake to or regular listening levels
- Gentle Sleep gradually decreases music volume

iPhone and iPod Interface Features

- Plays and charges iPhone and docking iPod models
- Universal dock with inserts to fit iPhone, docking iPod models
- Remote Control controls iPhone/iPod music menu functions
- Wake to a playlist with songs of your choice

Radio Features
