#97-NN-B1 Crib Saver Crib Cover for 4025

- Fashionable "High Hoop" design.
- Meets or exceeds all CPSC, ASTM, and JPMA crib safety standards, and California 603 Flamability standard.
- Meets all applicable Canadian crib safety standards. Instructions are printed on floor board in Spanish, English, and French to accommodate all of North America.
- Durable, non-porous, powder-coated finish resists corrosion, and scratches, and is easily sanitized.
- Heavy duty steel construction with 360 degree welding process insures durability. Reinforced steel locking floorboard.
- Durable 5" locking castors made of non marking material for easy transport over any surface.
- Arrives fully assembled.
- Full 4" mattress included and available in both foam and innerspring configurations.
- Folds flat in seconds with a stable footprint to avoid tipping when folded.
