Portable Folding Sneeze Guard, 25 in. SS

Our Portable Folding Sneeze Guards are designed with catered buffets in mind. The understated elegance of our sneeze guards complements any buffet without becoming the center of attention.

These durable double-sided sneeze guards fold flat for extreme portability and easy storage. Clear acrylic sneeze guards and stainless steel frame have a folded profile that measures less than 4 inches.

Our sneeze guards can be used individually, or placed end-to-end for large buffets. Acrylic shields extend from either side of frame to accommodate multiple buffet lines with ease. Portable Folding Sneeze Guard, 25 in. , Stainless Steel Finish, Folds Flat
