## Water Glass Ice Filler

Model: 1BWGF20  
Water Glass Ice Filler  
Ice Glass Filler

Fill up to 25 glasses with ice at a time.  
Our ice glass filler makes quick work of a time consuming banquet chore, filling water glasses with ice.  
The ABS plastic ice filler sits on top of a standard cambro glass rack holding 25 water glasses. Ice is poured onto the ice glass filler, landing neatly into the water glasses beneath. Fill hundreds of water glasses with ice in minutes.

- Fast, efficient, sanitary
- Durable and lightweight.

Formed from black ABS Plastic.  
Water Glass Rack Not Included  
Measures: 21.5 in. x21.5 in. x2 in. /55cm x 55cm x 5cm
